## HE DOES NOT CHANGE

**By Monica Comeaux**

What ever happened to two-finger rings? I was going through some old things and came across this two-finger ring and decided to don it one last time as an ode to the 90s. I also sang the chorus of Whodini's classic "One Love" while I wore it. *It just felt right.* Excited about my find, I brought the ring to church and showed it to Nile, a 17-year-old media volunteer, and he asked me, "Why would anyone wear that?" "Wait, what?!", I exclaimed. The two-finger ring is a classic.

I expected him to oo and ahhh and tell me how cool I was for having such a treasure, but to him, it was junk. The two-finger ring was old news. It's funny to see how much has changed around us and how much continues to change.

In fact, we are experiencing an even more rapid pace of change than has ever been experienced in years past. The advent of the internet has created a wave of invention and connectedness that has changed speed to market from years to months, and sometimes even weeks. Business strategy suggests that the hallmark of a successful company is its ability and willingness to quickly change in our ever-changing marketplace. Change is everywhere. Change is essential. Change is inevitable, but there is a constant.

The Lord is the same yesterday and today and forever. Throughout God's Word we see the permanence of His faithfulness. From the beginning of time God's love for us has pursued relationship and response and God has been protector and provider. The story of Scripture is a story of love and a story of our God who cannot and will not break His promises. We see God graciously fulfilling every covenant He has ever established and now by God's grace we experience a new covenant and all of it is the fulfillment of His word. God is faithful to His word. God is faithful to His promises. He does not change.

Although there is a whirlwind of things moving and changing around us, it's God's unchanging hand that continues to guide us. We can depend on God's Word, which proclaims that we are victorious and we can confidently know that He will fulfill every promise.

One of Monica's favorite Scriptures is John 15:16, **You did not choose Me but I chose you, and appointed you that you would go and bear fruit, and that your fruit would remain, so that whatever you ask of the Father in My name He may give to you.***
