### John 15:5

*I am the vine; you are the branches. If you remain  
in me and I in you, you will bear much fruit;  
apart from me you can do nothing.*

*No matter the weather, no matter the season,  
no matter the lot there was always a reason to  
live for His Glory...*

*In Remembrance...*

*Dr. Lois Evans founded the Life on Life Ministry & Mother's Day Out program at OCBF.*

*As a wife and mother who knew the importance of providing a space for women to fellowship and grow in Christ she saw the need for such a program as Life on Life.*

*Growing in community with other women while serving one another as Titus 2 instructs, are the basic founding principles behind Dr. Evans vision for the LOL Ministry.*

*We are proud to be recipients of her vision and torch bearers of her Legacy.*

*Well Done...*

**A Sunrise in Heaven  
In Memory of  
Mrs. Lois Irene Evans**

**December 1st 1949 – December 30th 2019**

My family sang hymns, I praised his name  
Jesus was coming to remove all my pain

A beautiful sunrise was waiting for me  
Its brilliant light was all I could see

The breath taking scenery was so divine  
It can't be explained you'll see it in time

Prayers were answered memories made  
The sunrise in Heaven never shall fade.

My eyes were opened like never before  
My soul was released so I could soar

My body was tired I still was aware  
Of all of my family sitting right there

His word is real and His promises true  
There's a sunrise in Heaven waiting for you

I know we all prayed for healing on earth  
But God's plan for me started at birth.

I can see your sorrow and I feel your pain  
The sunrise won't matter if there is no rain

Now Death has no victory, I'm still alive  
I'm living with Jesus beyond the blue sky

I've ran my race and finished my course  
I'm still loving you all, I have no remorse

Enjoying Heaven's sunrise and loving it too  
And when it's your time I'll be waiting for you!
