### Group Values & Ground Rules

**Attendance:** I will make our group meeting a priority by being in attendance at all meetings and arriving on time. If I cannot come to a meeting, or I am running late, I will contact my group leader in advance of the meeting.

**Participation:** I value the full participation of every group member. This means I will engage in all discussions and listen attentively to each group member without interrupting or carrying on separate conversations.

**Confidentiality:** We cultivate an authentic community when we are able to trust each other in the group. Therefore, issues discussed within the group will not be shared outside of the group.

**Connectivity:** Our group values building relationships with each other. Thus, I will commit to pray for the other group members on a weekly basis, follow-up on needs that are shared with the group and seek to hold one another accountable to grow in biblical discipleship.

**By signing below, I commit to uphold the group values reflected in this Group Covenant.**
