KINGDOM PRAYER

*For a long time Israel was without the true God, without a priest to teach and without the law. But in their distress they turned to the LORD, the God of Israel, and sought him, and he was found by them. **2 Chronicles 15:3-4***

How far are we willing to go to see ugly situations reversed in us, our families, our churches and our culture? As mere flesh, we are prone to lose heart and give up on prayer when God delays His answers. But if we want to touch heaven to change earth, we must cultivate a heart of prayer, and cultivation is rooted in the Word of God.

The One who can slay our giants and remove our mountains sits high and looks low and is waiting to hear from us in PRAYER! It's time to call on heaven to intervene on earth. It's time to pray down change in us...our families...our churches...our culture.

**Kingdom prayer is the divinely  
authorized methodology to  
access heavenly authority for  
earthly intervention. The goal  
of Kingdom prayer is to touch  
heaven in order to  
change earth.**
