

WEEK 2

# YOUNG ADULT TABLE TALK "LIT"

## Proverbs 2:6

For the Lord gives wisdom;  
From His mouth come  
knowledge and understanding.

### Devotion Learn Something New

People came from all over the world to get a firsthand look at this man take the walk of death across the Niagara Falls on a small rope. Finally, the man got on the rope and walked across the Niagara Falls with no problem at all! The people cheered and were extremely in awe at the accomplishment of this amazing feat. The man went on to ask the crowd if they thought he could roll a barrel across the Niagara Falls. All of the people cheered and said "yes, we know that you can do it!" Then the man responded by saying, "then who wants to get in the barrel as I roll it across the Niagara Falls since everyone is so sure of my ability to make it? The crowd immediately went from cheering to absolute silence! While everyone believed as a spectator, no one was willing to identify with the world famous tight roper as a participant.

### Bottom Line

Throughout the Gospels you will see the celebrityship of Jesus Christ. People came from afar because of the miraculous things Jesus was doing. With great certainty we cheer that He can save, He can bring freedom, and He can deliver! However, Christ is asking for more than cheering from His people. He wants to know who will take the risk, take up there cross, and die to themselves to follow Him! Many will cheer on Sunday but few will take the risk of losing who they are to identify fully with Jesus Christ Monday through Saturday! Christ is not looking for faith spectators, He's looking for faith participants!

### Challenge

- What roll with you play, a spectator or a participant?
